

SFWMD – Pre-Proposal Conference Science & Technology Services

The South Florida Water Management District (District) will be conducting a Pre-Solicitation Conference for Science & Technology Services (STS). The purpose of this conference is to inform the business community of this business opportunity.

- ✱ The District desires to develop a pool of qualified firms that can provide the District with science and technology support through multiple work order-based contracts for a three-year term (with option for two one-year renewals).
- ✱ STS work orders will focus primarily on support services in the following disciplines:
 - Hydrology and Hydraulics
 - Water Resources Evaluation
 - Water Quality Monitoring and Assessment
 - Biological/Ecological Monitoring and Assessment
 - Chemistry/Laboratory Operations
 - QA/QC and Data Verification
 - Modeling Support – Special Programming
 - GIS/Remote Sensing
 - Wildlife Consultation and Coordination

When: Friday, July 15, 2005 from 10 – 11:00 am
Where: South Florida Water Management District Auditorium B1

3301 Gun Club Road
